

MARASKA

Located on the **Adriatic coast in Zadar, Croatia**, Maraska is a producer of traditional Spirits and Liqueurs from the area. Maraska holds the original formulas for the famous liqueurs and spirits it produces including its Maraschino liqueur produced from the marasca cherry.

The marasca cherry was brought to the Mediterranean in the year 1399. Today, Maraska is in complete control of its production process owning a marasca cherry grove with over 100,000 cherry trees from which it selects the best fruits for its own products.

Maraska Maraschino is a bartender's secret weapon and key ingredient in many classic cocktails.
