The Producer: Rossi d'Asiago distillers since 1868

The Volare story began in 1868 in Asiago, an enchanting town in the Italian pre-Alps. Surrounded by stills, herbs and spices, the young pharmacist Rossi prepared fine products with intense flavours and fragrances.

These characteristics still distinguish the **Volare Liqueurs** today: products that are genuine and traditional in quality, innovative and surprising in flavour.

Cocktail recipe: Passion Twist

2 parts vodka
1 part **Volare Passion fruit**
1 part lime juice
Half passion fruit

In a mixing glass add ice, 2 parts vodka, 1 part Volare passion fruit liqueur, 1 part lime juice. Gently mix until chilled, then filter and pour into a martini cup. Garnish with half passion fruit.

Produced in Italy by Rossi d'Asiago distillers since 1868.
