New Jersey-based Worldwide Libations has announced the release of A Pachas, a new Spanish wine brand from the Madrid D.O. “A Pachas” means to share in Madrid Spanish slang. Founded by father and son duo Juan Carlos and Luis Llopart, A Pachas rolls out with three wines: Malvar, an indigenous white grape (\$15); a young unaged Tempranillo (\$15); and a Crianza Tempranillo aged in American oak for eight months.
