OFFBEAT OLD-WORLD MARASKA LIQUEURS GET FRESH BOOST

Worldwide Libations is the new U.S. importer for the Croatian supplier Maraska, whose portfolio includes one of the country's leading Slivovitz brands (SRP \$24.99). Maraska also has Pelinkovac, a bitter liqueur based on wormwood, and, aptly, one of the original maraschino liqueurs made in the world, produced solely from the 100,000 marasca cherry trees owned by the company in Zadar, on Croatia's Dalmation coast.
