

KOSHER WINE 9TH ANNUAL EDITION GUIDE

Gaining A Taste For Kosher Vino Italiano

The kosher market isn't so familiar with Italian wines, but that's beginning to change.

Some of the better choices to consider here are the lovely Decollio Prosecco DOC (available at Whole Foods Markets and some Trader Joe's markets); the inexpensive yet tasty Sarah Bee Moscato (available at Trader Joe's); the fun and very quaffable Pavolino wines from Veneto (imported by Worldwide Libations, LLC); and the Rambam Italian wines, imported by Happy Hearts Wine LLC, which offer 10 simple yet tasty sweet, semi-sweet and sparkling Italian wines. Also, worth noting is that the budget-friendly "To Life Box Wine by L'Chaim" from Ralph Mizraji, a Miami-based entrepreneur, will be returning again soon to the U.S. market — both boxed and in bottled. ✧
