

## Nocelino Chocolate

*Alcohol by Volume:* 22% Alcohol

*Origination:* Product of Croatia

*Formats:* 750ml/6 bottles

**Notes:** The production process starts with the harvest of selected green walnuts from the area of the Dalmatian coast (south Croatia/ Adriatic coast). The walnuts undergo a maceration to extract flavor and it is then infused with natural chocolate. No artificial coloring or flavorings are used in the product.

Enjoy neat, on the rocks, with cream or as an ingredient in cocktails.
