

## WILLIAMS PEAR BRANDY

*Alcohol by Volume:* 45% Alcohol

*Origination:* Product of Croatia

*Formats:* 750ml/6 bottles

**Notes:** Made exclusively from Williams Pears (commonly known as Bartlett Pears) which are first fermented then twice distilled. On the nose it has distinct aromas of freshly sliced pears with floral undertones. The palate is dry but with notable presence of bright fresh fruit and a subtle touch of spice on the finish.

Enjoy neat slightly chilled or room temperature as an after dinner sipper or paired with desserts.
