

KEY SELLING POINTS:

1. Part of Open Coast Gin's proceeds are donated charity to help cleanup ocean shorelines
2. Imported from Canada
3. Classic dry gin - versatile cocktail companion

ABOUT THE BRAND:

Produced in Newfoundland, Canada, this classic dry gin offers a unique taste that captures the rugged beauty of Canada's coastline. But what really sets Open Coast Gin Co. apart is its dedication to eco-friendly practices, with a portion of its profits going towards reducing plastic use through support for local charities. The sleek and modern design of the bottle is also a draw, making it an impressive addition to any home bar. Whether enjoyed straight or part of a cocktail.

Good Gin
for Good People
