

BOTTLED BY THE COVERED BRIDGES WHISKEY COMPANY
48% ABV (96 PROOF)

PIGEON RIVER

Tennessee Tradition

Our small batch Tennessee Whiskey is based primarily on a corn mash bill with a small touch of malted barley - mirroring a mash bill that would have been common in the early days of Tennessee Whiskey. It is distilled two times, mellowed by maple charcoal filtration then aged in new charred American white oak barrels. Non-chill filtered.
