

The BITTER TRUTH

CUCUMBER BITTERS

A LIGHT AND INVITING SAVORY BITTERS

The Bitter Truth Cucumber Bitters will lift your spirits to new heights like sunshine in spring. They will work fantastically in many classic and modern cocktails & long drinks – no matter what the season is.

With a golden amber color, these bitters are peppery, with earthy-fruity aromas of marinated cucumber and cracked pepper on the nose. In taste expect fresh cucumber accompanied by a light bitterness, herbal notes of rosemary and thyme, hints of fleur de sel, and lingering floral flavors of summer blossoms and squash finish.

The Bitter Truth Cucumber Bitters offers new ways of mixing your favored spirit by adding consistent savory flavors of green cucumber to your mixed drink. Try these bitters in your favorite Pimm's Cup, Gin & Tonic, or in a tasty Cucumber Martini.

TASTING NOTES

Fresh green cucumber with grassy notes of herbs de Provence. Light & inviting with aromas of freshly cut cucumber peel and balanced herbal bitter notes.

These bitters are amazing, strong flavor with personality, freshness, and a hidden spiciness in the back. We used them in Bloody Marys, Pimm's Cups, some Cobblers, and of course, with a combination of Mastiha and Tequila Blanco.
