TIKI LOVERS Pineapple

... has its roots in the past, when Caribbean distillers were macerating fresh pineapples in high proof sugar cane spirit, thereby adding an extra dimension of fruity layers to the rum.

Created in 2015, TIKI LOVERS Pineapple is based on all natural extracts of tropical pineapples sourced from South America. The fruits are harvested at the peak of ripeness and their sweet and seductive juice extracted by pressing. The unfermented juice is then stripped of some of its water content to emerge as a complex pineapple extract that does not water down the blend of rums.

The rum blend is composed of aged & unaged Jamaican pot-still rum from Hampden Estate and Worthy Park, 3-year-old Barbados Rum from Foursquare Distillery, aged in former Bourbon Whiskey barrels, and some young column still rums from both Trinidad and Guyana.
