

Our Cava wines are from Requena, an area near Valencia from which the highest quality of Cavas are produced. Per the Cava DO, our sparkling wines carry out their second fermentation in the same bottle in which it will be sold. Our Cava wines are made with only Organically grown grapes and are also vegan-friendly.

Alvaroni

Brut (Organic)

Straw yellow with greenish tones. Lively, fine and persistent bubbles. The nose is highlighted with aromas of white fruits and citrus with subtle notes of pastries. On the palate it is round and its effervescence envelops the mouth leaving a long finish with hints of ripe fruit. Ideal to enjoy during the whole meal and it is especially suitable for rice dishes, seafood, baked fish and pasta dishes.

Brut Rosé (Organic)

Very intense and with great aromatic complexity, this pale pink cava shows the subtlety of violets and roses in combination with ripe red fruits. The palate is soft, very creamy, fresh and elegant. Creamy, broad and persistent texture on the palate with balanced acidity, slight notes of rye bread and a long finish. Excellent as an aperitif and pairs well with a wide range of cuisine especially fish dishes.
