

BORSCI

Casa fondata nel 1840

Founded in 1840, Borsci is a distillery with a rich history rooted in centuries of tradition and innovation. The Borsci family, originally from the Caucasus, relocated to Albania due to political upheavals before eventually settling in San Marzano di San Giuseppe, in the heart of Apulia.

Over the generations, Borsci has perfected the art of creating unique, high-quality liqueurs through a blend of decades of experience and continuous experimentation. Each product from the Borsci distillery is a testament to the family's dedication to preserving tradition while embracing innovation.

BORSCI SAN MARZANO ELISIR

Herbal liqueur from the heart of Italy, renowned for its rich and aromatic profile. It is crafted from a meticulously guarded recipe that dates back over 200 years.

The aroma is rich with earthy herbal notes intertwined with the sweet, fragrant scent of ripe citrus fruits. On the palate, it is smooth with well-balanced sweetness followed by layers of aromatic herbs, citrus and spice.

It is a versatile drink. Serve on its own as a digestive after dinner, in coffee, over ice cream or as an ingredient in creative cocktails.

Succ'Agro Limoncello

An all-natural liqueur made from an infusion of Italian lemons. No coloring has been added.

An invigorating and unmistakable aroma of fresh sun-ripened lemons with subtle floral and herbal undertones that add a sophisticated layer to the bouquet.

It is smooth on the palate with an intense lemon flavor that balances perfectly with sweetness and tartness. Enjoy chilled on its own or in cocktails.

Sambuca 1840

This completely natural liqueur is produced by the distillation of star anise, elderflower, coriander seeds and other spices.

On the nose, it presents a captivating bouquet of star anise, fennel and a delicate hint of mint.

The palate is velvety smooth and silky, with a bold and assertive licorice flavor that is balanced by a subtle touch of sweetness.

The finish lingers on, warming the senses with its persistent anise and herbal undertones.

CafCaffè

This liqueur is made using real espresso coffee, brewed with a premium moka blend and infused while hot following an age-old Borsci recipe, resulting in a drink with a rich, deep coffee flavor.

Borsci Coffee Liqueur delivers a robust espresso flavor that is both aromatic and velvety. The natural bitterness of the coffee is harmoniously balanced with just the right amount of sweetness, creating a rich, satisfying finish. The smooth texture makes it incredibly versatile for a variety of serving options.

Serve on its own, in coffee or in cocktails such as an Espresso Martini.
