IRISH SINGLE MALT
WHISKEY

5 Year Old Single Malt PX Finish

Alcohol by Volume: 46% Alcohol

Origination: Ireland

Formats: 700ml/6 bottles

Notes: This Five Year Old Single Malt Irish Whiskey has been matured in ex-bourbon asks before being transferred to casks previously used to mature Pedro Ximenez sherry. Pedro Ximenez, also known as "P.X." is a variety of grape used in the making of a sweet wine in the southern regions of Spain. It is one of the darkest sherry types and gives the whiskey an amber color and rich, fruity influence.

Aromatic with notes of dried fruit along with hints of toasted oak and vanilla. On the palate, the sweetness of the sherry shines through with flavors of toffee, brown sugar, and dark chocolate, balanced by the smooth, malty character of the Irish whiskey. Subtle spices, like cinnamon, add complexity, while the PX sherry influence brings a warmth that lingers on the tongue. Ideal for sipping neat or enjoying with a splash of water to unlock its full depth.

Non-Chill Filtered.
