Welsh Gold is extremely precious and was worn by legendary Welsh princes. Our Gold Range reflects those qualities.

Notes: This whisky has a delicate spirit with a medium peaty character and a light golden tone. This whisky has a Kosher certificate.

It introduces itself with sweet, aromatic smoke. Under this, there are signature notes of vanilla, green apple and refreshing citrus.

An array of gentle flavors tempts even the most sophisticated palate. Smoke and vanilla linger on the attractive medium-length finish. Light smoke and citrus fruitiness.
