*Welsh Gold is extremely precious and was worn by legendary Welsh princes. Our Gold Range reflects those qualities.*

**Notes:** This whisky has a portwood finish making it a real attention grabber.

Aromas of rich dried fruits with dark chocolate and cranberries; a hint of toasty oak mingles with a baked nutty dryness.

A creamy richness with some honey and spiced notes emerging on the palate. The finish is smooth with a soft oak and honey sweetness lingering gently on the tongue. A balance of rich wood, chocolate & dry fruits.
