Welsh Gold is extremely precious and was worn by legendary Welsh princes. Our Gold Range reflects those qualities.

Notes: This whisky is matured in a range of specially selected ex-bourbon and rejuvenated oak casks. This whisky has a Kosher certificate.

A complex nose of dark chocolate fudge with cinnamon and pepper spices, followed by lush fruit – green apples, mango, banana and guavas.

The palate is rich and complex. A creamy texture with hints of vanilla, oak and cinnamon and a hint of nutty toffee. A creamy-vanilla flavor on the finish which is in no rush to ebb away.
