White Rum

Alcohol by Volume: 40% Alcohol

Origination: Product of Wales

Formats: 750ml/6 bottles

Notes: Our unique White Rum is made from the finest sugar cane and the purest distillate inspired by the exacting standards of the Blue Flame manual.

A smooth, light spirit with a clean, crisp profile. It offers subtle notes of fresh sugarcane, vanilla, and mild tropical fruits, with hints of citrus and a slight creaminess. The flavor is balanced with a touch of sweetness and a peppery, dry finish. Its clean mouthfeel and refreshing taste make it perfect for cocktails like Mojitos and Daiquiris, though it can also be enjoyed neat or on the rocks.
