HAZY HOPS BITTERS

A UNIQUE COMBINATION OF AROMATIC, FRUITY & SAVORY FLAVORS

Bavaria, one of the largest hop-growing regions in the world, is not only home to some of the best beer, but also to The Bitter Truth. For over 1000 years, hops—an aromatic plant from the hemp family—have been cultivated here, primarily to lend their fruity aromas and signature bitterness to beer.

Innovation has always been at the heart of The Bitter Truth Co., and the launch of The Bitter Truth Hazy Hops Bitters is a perfect testament to that commitment.

We have taken aromatic hops and created a truly unique flavor experience that's full of mystery, taking your taste buds in unexpected directions without revealing the destination. Embedded in a carefully crafted blend of spirits and Caribbean rums, these bitters fuse citrusy, bitter hop notes with the sweet, earthy qualities of tea, dried fruits, and selected botanicals.

Despite their subtle color, these bitters are complex yet with an approachable character that elevate classic cocktails like the Negroni, Manhattan, and Gin & Tonic with a fresh twist. But it doesn't end there—these bitters also bring new life to lemonades, sodas, and other non-alcoholic beverages, turning even the simplest drinks into something extraordinary.

TASTING NOTES
